300.08 ACCESS TO RESOURCES

Unless an individual has been declared legally incompetent, he is assumed capable of managing his own affairs and his resources are considered. Competency does not affect consideration of resources.

300.08.01 INDIVIDUALS DECLARED LEGALLY INCOMPETENT

The following is applicable to individuals who have been declared legally incompetent:

Court Appointed Guardian or Conservator	No Court Appointed Guardian or Conservator
<p>If the court has appointed a guardian or conservator, resources owned by the individual are considered available.</p> <p>Seeking court approval</p> <ul style="list-style-type: none">Is not a legal restriction to the sale or disposal of the property;Does not change the property's status as a countable resource to the individual.	<p>If the court has not yet appointed a guardian or conservator, resources owned by the individual are not considered available.</p> <p>The individual does not have access to the resource until a guardian or conservator has been appointed.</p>

300.08.02 TYPES OF ACCESS

Resources are accessible through an agent, litigation or a petition-conservatorship account under SSI and liberalized resource policy:

- Access Via an Agent**

An individual is considered to have free access to, and unrestricted use of, property even when he can take those actions only through an agent, such as a representative payee or guardian.

Example: Joan Shoto receives Social Security. Her mother, Laura Shoto, is her representative payee and has Power of Attorney. The bank account is a countable resource to Joan because she has unlimited access through her mother.
